FIRST AID: If poisoning occurs, contact a Doctor or Poisons Information Centre. Phone 13 11 26.

CONDITIONS OF SALE – LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations and Remedies before using this product. If the terms are not acceptable return the product, unopened, and the full purchase price will be refunded.

Spraytec Australia warrants that the chemical composition of this product conforms to the label description and that the product is reasonably fit for the purpose referred to in the "Directions for Use" on the label. The label is believed to be reliable and should be followed carefully, injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Spraytec Australia or its Sellers.

The company warrants that this product is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The company makes no other warranties or representation of any kind, express or implied, concerning the product, including no implied warranty or merchantability or fitness for any purpose and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action to the handling or use of this product shall be limited to, at Spraytec's election one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of the sale and limitation of warranty, liability and remedies.

DIRECTIONS FOR USE FIELD CROPS

This product is for use in a balanced program for the crops. User should consult a trained agronomist or a certified crop advisor for specific recommendations. Foliar fertilisation with primary nutrients will not provide the quantities of nutrients required for normal plant growth. This product may cause foliar burn if applied in higher than recommended rates or concentrations. Use only as a supplement to a regular fertilisation program. Foliar fertilisation can be an effective remedy for diagnosed plant deficiencies of secondary nutrients and micronutrients. Use of this product is recommended only as a supplement to a regular fertilisation program.

FOLIAR RATE: 50 - 100 mL/ha

For ground application use water volume of 30 to 100 L/ha. For aerial application use 5 to 20 L/ha.

CROPS: Wheat, Barley and other cereals, canola, potatoes, rice, cotton, sunflower and citrus.

COMPATIBILITY: This product can be used/mixed with pesticides, but a "jar compatibility" test should be conducted for unfamiliar mixes in order to determine compatibility.

TANK MIXING INSTRUCTIONS:

- 1- Half fill the spray tank with water.
- 2- Add Fulltec and turn on agitator.
- 3- Add the recommended pesticide. If sequence for a product to be mixed is unknown, refer to the product label for specific instructions.
- 4- Fill the tank to its capacity with continuous agitation.

GUARANTEED ANALYSIS % w/v

Nitrogen total(N)..... 7.0 %
Phosphorus water soluble (P)..... 6.5 %

Density: 1.18 g/mL

STORAGE AND DISPOSAL

Protect product from freezing (store above 0°C) and avoid extreme heat. Store product in the original container. Keep tightly closed, in a cool, dry area. Store out of the reach of children and animals. Avoid contamination of water, food or feed with equipment clean up and disposal of the product or spray waste. After use, rinse thoroughly and dispose the container according to local, state and federal regulations. Product best when used within three years of manufactured date.
